By this time it is generally known that I have reorganized our firm following the passing of my dear friend and partner, Jay Mueschke. The primary office remains in Lafayette at the same address under the name of Barras Architects. A second office is in Charlottesville, Virginia, with a new partner, Shannon Barras, AIA. The firm is fully connected electronically and will now serve four states: Louisiana, New Mexico, Texas and Virginia.

Barras Architects will continue our professional service quest to design well, in budget and on time. Our e-mail address and web site will remain the same until revisions are made in the near future.

Thank you for your continued support.

Sincerely,

A handwritten signature in blue ink, appearing to read 'R. Barras', is written over a light blue horizontal line. The signature is fluid and cursive, with a long, sweeping tail on the 's'.

Robert E. Barras, AIA
